Please also be advised that costume fees are non-refundable.

Class Placement

Students are placed in class according to their age, ability, and/or experience at the discretion of the teachers and director. One or all may apply when placing the dancers in an appropriate class level. All Epicenter companies and professional classes are by audition only. Placement classes will be a charge of \$10 for the first class, \$15 for the second class, and \$20 for the third.

Class Cancellations due to Weather

Though we will check with local school districts, it will be at the discretion of the director that we close the studio or cancel classes. We will send updates via email and social media in the event of a closing or late start due to a weather related issue. Please follow us on Facebook (Epicenter for the Arts) and Twitter (@epiarts) to get the latest information.

Medical Policy to drop classes

A doctor's note is required for monthly tuition to be pro-rated for classes that need to be dropped due to medical reasons.

Attendance & Make-up Classes

In order to progress personally as a dancer as well as keep up with the class, regular attendance is strongly encouraged. Absences not only affect the individual, but also affect everyone else in the class. If you must miss class for any reason, please call and notify the studio office. A student may be asked to leave the class if attendance drops below 80%. Epicenter reserves the right to drop any student who misses class for more than 30 days without written notification in order to make room for another student to join the class. There are no refunds for missed classes; however make-up classes may be scheduled. See the front desk for makeup class options.

Withdrawal Policy

Enrollment in classes or lessons at Epicenter is through the first week of June. If withdrawal from a class is necessary, **you must do so by the 20th of the month** or you will be charged for the following month. This must be done in writing and signed off by the front desk; teachers are not allowed to withdraw students. By enrolling in a class or private lesson, you have reserved a spot that could be released for someone else. Thank you for your cooperation and understanding of this policy. Ballet costume balance of \$45 must be paid at the time a student withdraws from class or you forfeit the original \$75 deposit.
